**CRITICAL ILLNESS INSURANCE POLICY  
FORM H-0186.FL**

**OUTLINE OF COVERAGE**

**Read your Policy Carefully.** This outline of coverage provides a very brief description of the important features of your policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth, in detail, the rights and obligations of both you and your insurance company. It is, therefore, important that you **READ YOUR POLICY CAREFULLY.**

**THIS POLICY IS NOT A MEDICARE SUPPLEMENT POLICY.** If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from the company.

This insurance pays a fixed amount, regardless of your expenses, if you meet the policy conditions for one of the specific diseases, health conditions or procedures named in the policy.

**BENEFITS**
